MEMORANDUM FOR: Training Liaison Officers

SUBJECT: OTR Guide to Articles Pertinent to the Training Program

1. The Guide to Articles Pertinent to the Training Program is a reference publication developed by OTR to assist its instructors in meeting their continuing research responsibilities. Annotated entries cover current books, intelligence publications articles, films, maps and instructional material relative to the current informational requirements of the various courses.

2. Several training liaison officers have requested that the Guide be distributed to them for use by the instructors of their components who are concerned with training projects. An issue is distributed every two weeks. If you have a similar need copies will be sent to your office. Please request the service by directing a written note to Miss [REDACTED], Room 212D, R & S Building.

3. Training materials originating in OTR and annotated in the Guide are available to you under existing procedures. All other materials listed in the Guide cannot be furnished to you by the OTR library. Please use the library procedures established for your office to secure them.
